**UNITED STATES BANKRUPTCY COURT  
FOR THE MIDDLE DISTRICT OF TENNESSEE**

DEBTOR **VICKI TUBBS FURLOUGH**  
**SSN XXX-XX- 0252**

Case No. **20-00366-MH3-13**

**ORDER CONFIRMING CHAPTER 13 PLAN AND GRANTING RELATED MOTIONS  
CONFIRMED WITH CHANGES**

The Court finds that all information required under § 521(a)(1)(B) has been submitted and that the case is not dismissed under § 521(i). The Court further finds that it is in the best interests of creditors and the estate to confirm this case.

The debtor's plan has been transmitted to scheduled creditors and it has been determined after notice and an opportunity for hearing that the plan meets the confirmation requirements of 11 U.S.C. § 1325 and all timely objections to confirmation have been withdrawn, resolved, or overruled. It is, therefore, ORDERED:

1. The plan is confirmed as set out below.
2. A timely proof of claim must be filed before the creditor will be paid under the plan.
3. The debtor shall not incur any debts without approval from the trustee or this Court, except debts necessary for emergency medical or hospital care.
4. The debtor shall not reduce the amounts withheld for taxes on a W-4 submitted to an employer without approval of the trustee or the Court.
5. The trustee shall deduct permitted compensation and expenses in accordance with 28 U.S.C. §586(e).
6. Before making any disbursements to creditors under the plan, the trustee shall disburse to the Court Clerk the sum of **\$310.00** for filing fees.
7. The debtor shall be responsible for the preservation and protection-including insurance-of all property of the estate.
8. The trustee and the debtor retain the right to object to any claims or supplements to claims and to pursue any causes of action for the benefit of the debtor or the estate-including avoidance and recovery actions and actions that would upset the liens of creditors treated as secured under the confirmed plan.

**PART 1: NOTICES**

The confirmed plan **DOES** include nonstandard provisions, set out in Part 9 below.

This order is final and binding under 11 U.S.C. § 1327 upon entry of the order. This order may include provisions different than what was contained in the original plan. Parties are encouraged to carefully review the terms of this order and the previously noticed plan. Any request to reconsider the terms of this order should be raised within 14 days.

An exhibit attached to this order lists the claims treated under this confirmed plan as of the submission of this order to the Court. This list is subject to modification based on the subsequent allowance or disallowance of claims.

## PART 2: PLAN PAYMENTS AND LENGTH OF PLAN

Debtor will make payments to the trustee as follows:

**\$1,300.00 MONTHLY from VICKI TUBBS FURLOUGH**

[Plus Balance on Hand from Prior Case]

[via TFS]

The plan is expected to last approximately 60 months. The plan will not be complete unless the payments to creditors specified in this order have been made.

### Plan “base” and income tax refunds:

Debtors shall pay to the trustee a minimum amount, called a “base,” of **\$80,000.00**.

Any funds remaining from the base after making the other disbursements required by this order shall be used to increase the distribution to allowed nonpriority unsecured claims addressed in § 5.1.

## PART 3: TREATMENT OF SECURED CLAIMS

### 3.1 Maintenance of payments and cure of default under 11 U.S.C. § 1322(b)(5).

Installment payments on the secured claims listed below will be maintained, and any arrearage through the month of confirmation will be paid in full as stated below. Both the installment payments and the amounts to cure the arrearage will be disbursed by the trustee.

Amounts stated on a proof of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below as to the current installment payment and arrearage. After confirmation of the plan, the trustee shall adjust the installment payments below in accordance with any such proof of claim and any Notice of Mortgage Payment Change filed under Rule 3002.1. The trustee shall adjust the plan payment in Part 2 in accordance with any adjustment to an installment payment and shall file a notice of the adjustment and deliver a copy to the debtor, the debtor’s attorney, the creditor, and the U.S. Trustee, but if an adjustment is less than \$25 per month, the trustee shall have the discretion to adjust only the installment payment without adjusting the payments under Part 2. The trustee is further authorized to pay any postpetition fee, expense, or charge, notice of which is filed under Bankruptcy Rule 3002.1 and as to which no objection is raised, at the same disbursement level as the arrearage.

Confirmation of this Plan imposes on any claimholder listed below the obligation to:

- Apply arrearage payments received from the trustee only to such arrearages.
- Treat the obligation as current at confirmation such that future payments, if made pursuant to the plan, shall not be subject to late fees, penalties, or other charges.

If relief from the automatic stay is ordered as to any collateral listed below, all payments under this section to creditors secured by that collateral will cease.

<u>Creditor/Collateral</u>	<u>Current monthly payment</u> <u>(including escrow)</u>	<u>Amount of arrearage</u>	<u>Last month in prepetition arrearage</u>	<u>Monthly payment on arrearage, if any</u>

### 3.2 Valuation of security and claim modification.

For each claim listed below, the Court determines the value of the creditor's interest in any property securing the claim in accordance with the amount stated in the column headed *Value securing claim*. If this amount exceeds any allowed claim amount, the claim will be paid in full with interest at the rate stated below. If the amount is less than the allowed claim amount, the claim will be paid the full value securing the claim, with interest at the rate stated below.

The portion of any allowed claim that exceeds the value securing the claim will be treated as an unsecured claim under § 5.1. If the value securing a creditor's claim is listed below as zero or no value, the creditor's allowed claim will be treated entirely as an unsecured claim under § 5.1. The avoidance of any lien because it is not secured by any value must be addressed in Part 9. The amount of a creditor's total claim stated on a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount stated below.

The holder of any claim listed below as secured by any value will retain the lien until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

If relief from the automatic stay is ordered as to any collateral listed below, all payments under this section to creditors secured by that collateral will cease.

The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim under § 5.1.
